ATTN OF: ERD:TO:1753

SUBJECT: DOE Comments on SOP's

TO: J.M. Kersh, Associate General Manager
Environmental Restoration and Waste Management
EG&G Rocky Flats, Inc.

Enclosed as an attachment, please find the DOE comments on SOP's for:

Field Operations
Groundwater
Geotechnical
Surface Water
Ecology

As you can see, these comments are for critical issues only and not minor aspects of referenced SOP's. In particular, observe comments on Ecology which verify that this document is in very poor status and this poor quality is reflected still further in OU Workplans which incorporate individual Environmental Evaluations based on the Ecology SOP's.

If you have any questions, please feel free to contact Bruce Thatcher at extension 3532 or Tom Olsen at extension 2762.
